Dear Friends,

As you are keenly aware, the problems facing women today are numerous and diverse. We, at the Center for Women's Studies and Services, are attempting to meet many of these needs on an all too limited budget. It was, therefore, with deepest appreciation and heartfelt thanks that we received your generous gift to help support our program for Battered Women. Like the Women's Council of Realtors, we firmly believe that women need to help other women. Your sponsorship of the auction to benefit our services is a fine example of how this can be done.

Again, I would like to extend my gratitude for the staff of the Center and for the many women we will be able to reach because of your support. We look forward to a continuing relationship of mutual support.

Sincerely,

Carol Rowell, Director
