Dear Pres. Black:-

J. H. Spear writes me that he is an applicant for the place of Assistant Janitor in the Normal, and wants me to write you concerning him. Mr. Spear worked for us a good deal outside and inside the various buildings and we always held him to be a good man. In fact he was above the average. He knows how to "do things", and is trustworthy. Were he to be selected for one of ~~my~~ janitors, I should feel that we had secured a good janitor.

Very truly,

H. A. Adrian
