

Emily Card - U.C. Riverside

- working on Ph.D.

- should be encouraged to finish  
in the fall

- not being rehired for the fall

Background

- Columbia Univ.

did field research under Wallerstein  
in Econ. Anthropology in Africa

- good background in the study  
of imperialism

- became radicalized by ↑

- also has background in  
Poly Sci.

- most anthro. doing research in Africa  
are CIA (working for) - Wallerstein  
works for State Dept. + is from  
Marlene's knowledge of him, fairly  
honest as not a typical fig.
