President Black.

As committee to select a piano for the gymnasium, we beg to recommend the following instrument. A second hand \$350. piano which The Wiley B. Allen Company offer for \$245.00 10% off for cash. After spending considerable time looking about and considering the matter, this seems to us the desirable instrument

for the purpose indicated.

Respectfully submitted.

Jessie R. Tanner.

Sept 16. 1917. L. Arena Davis.

Report on Pianos.
