

THE FEMINIST ACTION COMMITTEE

Statement of Purpose

The Feminist Action Committee is an informal, action-oriented women's coalition of individuals and organizations dedicated to advancing the major goals of the Women's Liberation Movement.

The Committee goes into action when there is a need for large-scale, political education and action on critical issues by organizing demonstrations, rallies, teach-ins, and other public events.

Since its formation in January of 1977, F.A.C. has organized an International Women's Day rally in Balboa Park, a picket for abortion rights at the Federal Building, and a Teach In on the Fight for Women's Rights in recognition of the August 26th anniversary of women's suffrage.

Currently F.A.C. has no officers or format leadership. Any member or member organization can propose action by attending or calling for general meetings of the Committee.

For membership or other information, contact F.A.C. by calling Mary Maschal at 273-2804 in the evening or Carol Rowell at 233-8984 in the daytime.
