Dear Mother and Babs, -

I am not sure
just when I shall have my vacation
but I will act to have it this month.
But anyway I shall come home
soon perhaps this week, providing
my half day course after pay day.
When I do come for my vacation
I will have a lot of sewing to do.
The time is going by so fast I
can hardly realize it is nearly
a year since I came here starting
on my nursing curriculum. Well
if I don't take a vacation this year
or next I will be out a year from
the record of this month. But if I

Had the money to change I
would go to Los Angeles to finish
my training. A letter is so
unsatisfactory I will wait till
I am with you to tell you
all the news. Take good care
of yourself, and remember you
are ever in the thoughts of
Your daughter and her love is
yours.
