THE WHITE HOUSE
WASHINGTON

April 30, 1980

Dear Mr. Smith:

President Carter has asked me to convey his greetings and congratulations to you. We are pleased to join your friends and colleagues in recognizing your contributions to education and especially to physical education and sport.

The San Diego Unified School District is recognized far and wide for its excellent physical activity programs, and this is due in no small part to your steadfast support. I know I speak for everyone who values the physical well-being of our youth when I say "thank you."

Best wishes for a memorable day.

Sincerely,

Jerry Apodaca, Chairman
President's Council on Physical
Fitness and Sports

The Rev. George W. Smith
San Diego, California
