

REPORT OF THE STANDING COMMITTEE ON NATIONAL MISSIONS

Substitute XV. SUMMER YOUTH PROGRAM

The Standing Committee notes that in 1963 more than 5,000 young people of college and high school age will be involved in summer service and mission study tour programs in national missions through the Youth Program Department. It requests the General Assembly to commend the Student Summer Service program, as a means of enlisting valuable volunteer help in, and widening understanding of the national mission of the Church, and for the impact the service has on the lives of young people.
