# STD Clinics

## No appointment necessary

- Testing and treatment of sexually transmitted diseases (STDs)
- Services available for ages 12 and older
- Hepatitis B vaccine series available with STD examination
- Confidential HIV testing available with STD examination – you use your name but your identity is protected by law
- \$14.00 fee covers testing, treatment, vaccinations, lab work, in-stock medications and any follow-up visit within 30 days of exam. The fee may be waived if you are unable to pay

The clinics listed below are walk-in clinics and register as many people as each clinic can accommodate. Please register for your visit as early in the day as possible. The clinic will close when capacity is met.

## All services are confidential

## HIV Testing Sites

No appointment necessary

- Testing is done anonymously – medical staff will not know your name, you will be known by a number given to you.
- HIV testing is free
- HIV testing is also available at our STD clinics on a confidential basis – you use your name, but your identity is protected by law.
  - At the STD clinics, you are tested for other sexually transmitted diseases at the same time as HIV (see other side for locations and hours).
  - Small fee requested at STD clinic (may be waived if you are unable to pay).
