

Almighty God, two of the most important
words in our lives as Christians are faith
and love. As Christians, We realize that you have
set us apart from the world at large by God
Almighty.

You have called us to be fellow
workers with you in the Kingdom
of God.

Help us to be among the minority
who are faithful to our calling and
take our God-given responsibility
seriously.

May we ~~be~~ be like a witness
a person who is truly representative
of you, a model of Christian living
and a faithful steward of your gifts.

May we live our lives reflecting
the love you have for us in our words
and deeds.

Prayer, ~~and~~ guard against compromising your
standards and the temptation to conform
our lives to the ways of the world.

At the end of our days, may you look
at us and the lives we have led and say to us, well
done, your faithful servant and say to us, well
