

Almighty God, who did call little  
 Children unto Thee and bless them: Guide,  
 we pray Thee, your Church in the teaching of  
 both its young and adults this week in our Vacation  
 Bible School. May all strive earnestly to feed  
 the lambs of your flock. Grant all of us to see  
 and know the greatness of this work, and give  
 us grace to fulfill it. Make us ever ~~present~~  
 mindful of your presence this week, that  
 we may dwell in your nurture and administration.  
 Give, Freddie, our Director, the aptness to lead,  
 and our teachers the will to teach and the pupils  
 the willingness to learn. All this we ask in  
 your name —
