

Opening Prayer: Holy God, stir and strengthen the milks of your faithful people. Bring forth in abundance the fruits of faith and obedience, that we may become more like your Son, and that we may receive your gracious blessing. Through Jesus Christ our Lord, Amen.

Pastoral Prayer: O Lord our God, you alone can tame and order our rebellious ways and sinful affections. By the power of your Spirit, convict us of our wrong and convince us of your truth. Help us to love the things that you love and desire that which you promise. Save us from temptations that waste and destroy and bring us through this changing uncertain world with our hearts truly fixed on the Author and Finisher of faith, Christ our Lord.

Then name us as your own sons and daughters, ~~the~~ children of the household of faith: lambs of your own fold; sinners of your redeeming; servants by your call. Name us with the name that is above every name—
