

Opening Prayer: Holy God, stir and strengthen the wills of your faithful people. Bring forth in abundance the fruits of faith and obedience, that we may become more like your Son, our Saviour, and that we may receive your gracious blessing, through Jesus Christ our Lord, Amen.

Pastoral Prayer - O Lord our God, you alone can tame and order our rebellious ways and sinful affections. By the power of your Spirit, convict us of our wrong and convince us of your truth.

We need your help O Lord. Help us to a true repentance that will turn us from evil and will help us to seek just penance and to avoid temptations that lead us into failure.

Our Saviour, Jesus Christ, you are the Friend of sinners. By your teaching and your saving death you have invited us into your Kingdom. Make us worthy of your name ^{with} redeeming grace!

Then may peace take root in our hearts and bring forth a harvest of love and Justice of Purity and Truth -
