

loved us into new life. We know that when we
are thinking clearly, that all we are and all we
ever hope to be, we owe to you and to the
generosity of your great love. Truly as I said
We pray in Christ's name -

Opening prayer: Loving God, there is something
deep within us - a yearning, a restlessness, a home-
sickness - that speaks to us of God. We sense that
we are not complete and life is not whole until we
are yours. So meet us now in this experience
of worship. Claim us again as your children. Make
us open to the word you want to say and re-
sponsive to the experience you want to give us. Nurture
us now with your grace. Inspire us to become
more faithful disciples of Christ and more loving
servants of human need. In the Master's name we pray, Amen

Pastoral prayer: Loving God, we are grateful for the
many good experiences of Christmas. For the time we
are privileged to spend with families and friends,
for the joy of giving and receiving gifts of love,
for times of inspiration and closeness with you,
we give you our thanks. Especially we are
grateful for your gift to us at Christmas: the gift
of your Son and our Lord, Jesus Christ.

We are grateful that we are learning to bow in
prayer who is never too busy for us, but is always
able to give us what we need. We do not deserve such
gracious care, but we need it, and we are grateful
for it.

Our Father, you have touched us by ^{the} caring con-
cern of families, teachers and friends. You have
ministered to us through your Church. You have
guided us when we were confused, forgiven us
when we were failing, comforted us when we were
suffering, come to us when we were alone, strengthened
us when we were faltering, and given us an ~~and~~ again
