July 26, 1998

Dear Members of Christ United Presbyterian Church:

You are aware of our Long Range Planning Committee. It is looking forward to our Church's future in Mission, Evangelism, Christian Education and Leadership.

A part of these committees' task, which includes the Mission Committee, is to canvass the neighborhood through door-to-door campaign and telephone survey.

I am asking you, as one interested in our church and its growth, if you would be willing to call our church neighbors and invite them to Friendship Sunday, August 2, 1998.

Friendship Sunday, August 2, is an excellent time to receive new friends and perhaps gain new members, and at the same time, carrying out a directive that must be done whenever a church wants to evaluate its program and/or seek a pulpit replacement.

A list of telephone numbers and addresses is available of these neighbors who live around our church in a radius of 1/4 mile and who live in the 92102 and 92104 city zip code area. We are trying to reach one thousand (1,000) people.

Will you take the one or two sheets, listed by streets, call these potential members and return the list to me?

A copy of a message to read, as you speak on the telephone from your home, is attached. Be aware as you consider this request that these calls may be in different calling zones.

Thank you in advance for your willingness to participate in a mission that could change the future growth of our church.

Sincerely,

Ardelle Matthews
