Opening Prayer: O blessed Child of
 Bethlehem in whom the God of righteousness
 love meets the highest Aspirations of
 human beings: Open our eyes to the light
 that the darkness cannot extinguish,
 our ears to the power of the truth that error
 cannot Vanquish, and our hearts and minds
 to the new life you offer to all who believe
 in you; and hasten that glorious day when
 every knee shall bow and every tongue con-
 fess that you are Lord over all.
