Paternal prayer: O God Creator, we wor-
ship you this morning on the tip toe of ex-
pectation. What a good and loving parent
you are to us, your children, By your grace
we have been called to worship. ~~On~~
your grace we experience the joys of our bap-
tism. Through your grace we are sent into
the world to be in ministry in the name of
and love of Jesus, our Christ.

Fill us today with the power of your Holy
Spirit as we remember the baptism
of Jesus and our own baptism
