

Rev. Kofi Yerentzi

Dear Rev. Yerentzi,

I am one of your fellow-Presbyterian ministers, here in San Diego. For the last 40 plus years I have pastored the Christ United Presbyterian Church, here in San Diego. In our city we have many African living. My church and I are very much interested in our church out to them. We also like to enter into a sister church relationship. To do this we need someone working with us to reach out to the African Community.

I have learned of a fine young deacon in your church, I would be much interested. With your blessings I would welcome him to come and work with us at our church.

The same sense as his sponsor so that his being here won't be a hardship on anyone.

It is my hope that you please help us in making this a reality. I look forward to ~~the~~ meeting you one day.

Yours in Christ  
Rev. George Walker Smith

Dear Samuel Minton

I am Rev. George Walker Smith, Pastor of Christ United Presbyterian Church, here in San Diego, California.

We have many of your fellow Ghanaians here in San Diego. The Church I pastor, has a definite interest in reaching out to get new members in the life of our Church. Samuel from what I hear, and with your dedication you could help us with our outreach program.

Therefore, I issue you an invitation to come and help us with our evangelism outreach to our brothers and sisters. We will serve as your sponsor, so you want be a handicap to our Government or anyone else.

Please let me know your decision. God bless you in the name of our Lord Jesus Christ.
