

Opening prayer: Almighty God, you have revealed yourself
as the blessed and Holy Trinity. Help us when our human
limits bring us to doubt and confusion about your
sacred nature. Help us to know you as you are re-
vealed in scripture so that we may be enlightened in
our faith and strengthened to serve you. We pray in
your name, Father, Son, and Holy Spirit. Amen.

Postoral Prayer: Dear Lord, you have made yourself
known to us as the Father of us all, as the Saviour
who lived and died as one of us, and as the Spirit
who gives strength and grace as surely to us
as you did to the apostles in ages past. Help
us to know and to trust your love for us. Con-
form us to your perfect will. Help us to
praise you forever, Father, Son, and Holy
Spirit. Amen.
