

O Thou who art the God of all the
 world and the Divine Father of all mankind:
 We are grateful that you are no respecter
 of persons. As we meditate upon your
 love, your truth, and your will as re-
 vealed in Jesus Christ, may we be re-
 inspired and re-committed with the
 ideas that cannot be argued down
 nor shot down, but which can bring
 a peaceful and orderly and just
 climate in which all your children
 can live happily. We confess to the
 many injustices and prejudices
 of which we are guilty, both by receiving
 and giving them. Remove from us all
 unchristian attitudes. Lift us above
 all that alienates and separates the
 human family. Help us to treat all
 as our brothers and sisters, acknowledging
 their rights, recognizing their differences, but
 having for their welfare.

We are grateful to thee for the ad-
 vancement of brotherhood among men;
 for the wider diffusion of opportunities, for
 the brave, courageous men and women
 of principle who have withstood ridicule
 for principle, safety for conviction, and loss
 of popularity and positions for the rights
 and dignity of persons.

Endue them all with your Holy Spirit and
 through Jesus Christ enable us to strive in
 this world for that fellowship of kindred
 spirits to which we look forward in the
 heavenly Kingdom, in the name of our Saviour -
