Almighty God: you have plans for us and power to make them happen. Give Legislators, executives, and government workers a knowledge of your will for the world. Let them remember that they serve a public trust, beyond personal gain or glory. May they see that no nation lives for itself alone, but is responsible to you for peace, and for the well-being of all your children.

We especially thank the O God for Van & Rob who served our Community well for so long in Congress - Continue to bless them with good health & long life —
