

O Lord our God, merciful and Almighty
 Father! How Thou dost love this evil
 world that Thou hast willed to send
 Thine Only begotten Son on such a strange
 journey to save the world and us with it!
 This and nothing else has been Thy plea-
 sure, and this and nothing else shall be our
 pleasure as well. If only thru Him and
 in Communion with Him we find Freedom,
 only through the death we reach the height
 only thru death life, then shall we accept
 this as Thy good and holy design.

In this Assurance we bring before Thee
 the sick and the weary, the poor and
 the distressed, those who have lost their
 way. In this Assurance we ask for
 the Spirit of Truth to be with those who
 carry heavy responsibilities.

We all stand in need of prayer and of
 intercession for each other upon the
 cross of Christ. Then let us assure us
 that the Kingdom of Prayer will remain
 with us.

that, we, as a token of this promise,
~~we~~ may share together in the Lord's
