

you Amaze us, O God, with the vastness of your love for us. In the midst of our sinful lives, you have given us the gift of your Son, Jesus Christ. We give you thanks this day for the challenge his life sets before us as his followers. We thank you for the assurance we feel of his nearness when all others are far away and for the power he blesses us with to be witnesses of his Kingdom. We stand amazed in the shadow of your grace, O God.

This day we are mindful of those who have not heard and those who refuse to hear the good news of the saving power & grace of Jesus Christ. Equip us in this hour to be swift and effective witnesses of Jesus to a world burdened by the weight of sin. Inspire our minds that we might catch a glimpse of new pathways and visions that will advance your Kingdom.

Protect us, O God, when we encounter adversaries who are too powerful and great for us alone. May we feel the strength of your presence and the power of your truth.

When we find doors slamming in our faces and people telling us to leave them alone, help us to find peace in knowing that your presence has been near them. Help our spirits to remain unbroken as we are about the work of your Kingdom. Help us to hear each other up, to pray for each other, and to be open constantly to the movement of the Holy Spirit.
