Personal
 ever-present God, we pray to-day
 for all those who are beset
 by the problems of life and
 death, disease and disaster, evil
 and oppression. We pray for
 those who have recently lost
 loved ones, that you might comfort
 them. We pray for those who
 are facing death themselves,
 that their faith might be strong
 and that they might be kept
 free from pain. We pray for
 those who are ill, that they might
 be healed, and for those who
 suffer from hate & oppression,
 from poverty & political tyranny.
 Help all such persons to claim
 your aid in the struggle for
 justice and genuine peace. We
 pray for those who do not know
 you as their Savior, that they might
 come to commit their lives to you and
 pledge allegiance to your reign

... through
Jesus Christ who
taught us to pray -
